Appendix I

Sugya Reading Protocol

Line of text that is challenging to explain		What is the challenge in explaining this specific line?
Parallel text to explore		What do I need to look up in order to better understand this sugya?
Sources Derashot		How does the sugya use its sources? How might I have interpreted them differently? Precisely explain the idea of the derasha and how it is drawn from the pasuk. How does one drasha differ from another that teaches the same idea?
Questions on the sugya		What does not make sense to you?
Concepts		What concepts must be clearly explained in order to understand the sugya?
